

*Professor Zbigniew “Bob” Kabata
Ph.D., D.Sc. (Aberdeen)*

WW II freedom fighter, Poland

Researcher, Nanaimo, Canada

Happy 90th Birthday!

The Editors and fellow Board members of Acta Ichthyologica et Piscatoria salute you and wish you good health and happiness.

Thank you for your inspiring attitude and leadership. You serve as a model scientist and gentleman who has rendered help to many of us individually as well as to the journal.
